

FOR IMMEDIATE RELEASE

14-Apr-2026

Explore the REBEL LINE on April 16 Elation Coffee Break

Join Elation's **April 16 Coffee Break** livestream as we dive further into the bold new REBEL Series, with a closer look at the [REBEL LINE 8](#) and [REBEL LINE 16](#).

Join Frederik Afif and Alistair Smyth on **Thursday, April 16, at 11:00 a.m. CET** as they explore this innovative line of linear tilt bars that unlock new levels of creativity without stretching the budget.

Streamed live on Elation Europe's Facebook page [here](#), or LinkedIn page [here](#), no registration is required.

Highlights:

- Dynamic RGBL + cool-white SparkX LEDs
- Powerful output with beam continuity
- Fluid movement
- Precise color control
- Easy alignment and rugged IP55 design
- Useful accessories included

FOR IMMEDIATE RELEASE

From subtle fades, smooth color shifts, and immersive washes to razor-sharp aerial beams and artistic pixel-mapped patterns, the REBEL LINE introduces multi-purpose, cost-effective flexibility to dynamic linear lighting.

Each Coffee Break episode goes beyond spec sheets and standard product overviews, focusing on tangible benefits while sharing practical tips and tricks that lighting professionals can directly apply in real-world scenarios. The sessions are open to everyone and include live questions from viewers.

Mark your calendars, grab your favorite cup of coffee, and join us on **April 16 at 11:00 a.m. CET!**

About Elation

At Elation, we collaborate with leading professionals in the lighting industry to help bring extraordinary experiences to life. As a designer and manufacturer of a wide range of high-performance entertainment lighting products, we're proud to be a trusted partner to top lighting professionals and production/rental houses around the world. Our commitment to quality, innovation, and creative solutions has made us a go-to resource in the industry. We also offer an advanced line of lighting control products through Obsidian Control Systems, and a full range of dependable specialty effects called Magmatic. Elation serves clients worldwide through offices in Los Angeles, Mexico City, Canada, and the Netherlands. We invite you to take a closer look at elationlighting.com
