Meet the Multi-Functional Fuze PFX on Elation July 23 Coffee Break

Multi-functionality is where it's at! Tune into Elation's **July 23 Coffee Break** for a closer look at the newest addition to the award-winning Fuze series—the versatile [Fuze PFX](#)!

The Fuze PFX is a true allrounder, combining the precision of a profile framing fixture with the creative potential of a beam and effects light, all in an incredibly compact footprint. A true workhorse that punches well above its size, it's ideally suited for fast-paced productions, touring rigs, and discreet installations alike.

Elation invites lighting professionals to join this Coffee Break on **Thursday, July 23, at 11:00 a.m. CET**.

The session will be streamed live on Elation Europe's Facebook page [here](#) and LinkedIn channel [here](#). No registration is required.

Hosted by Alistair Smyth and Frederik Afif, the Coffee Break will explore the features that make the Fuze PFX ideal for production and installation environments where both space and

FOR IMMEDIATE RELEASE

performance are at a premium. Attendees will gain practical insights and expert tips on maximizing the creative potential of this compact yet powerful profile and FX luminaire.

Tight beams, mid-air effects, image projections, precise framing, wide washes—the Fuze PFX does it all!

Mark your calendar, grab your favorite cup of coffee, and join Elation on **July 23 at 11:00 a.m. CET** for this engaging live session.

About Elation

At Elation, we collaborate with leading professionals in the lighting industry to help bring extraordinary experiences to life. As a designer and manufacturer of a wide range of high-performance entertainment lighting products, we're proud to be a trusted partner to top lighting professionals and production/rental houses around the world. Our commitment to quality, innovation, and creative solutions has made us a go-to resource in the industry. We also offer an advanced line of lighting control products through Obsidian Control Systems, and a full range of dependable specialty effects called Magmatic. Elation serves clients worldwide through offices in Los Angeles, Mexico City, Canada, and the Netherlands. We invite you to take a closer look at elationlighting.com
