

FOR IMMEDIATE RELEASE

04-May-2026

## Elation KL Fresnel Moves Outside on May 11 Coffee Break Livestream

Elation's KL Fresnel Series of artistic, full-spectrum wash luminaires is moving outdoors, bringing true Fresnel character—soft edges, natural falloff, and beautiful color—to any environment.

Join Frederik Afif and Alistair Smyth on **Monday, May 11 at 11:00 a.m. CET** for a closer look at the [KL Fresnel 6 IP](#) and [KL Fresnel 8 IP](#). These outdoor-rated LED luminaires look classic, feel modern, and deliver reliable performance wherever they need to shine.

The Coffee Break will be streamed live on Elation Europe's Facebook [here](#) and LinkedIn page [here](#). No registration is required.

KL Fresnel IP fixtures use an RGBMA engine to project soft-field light across the full color spectrum and are calibrated to match the wider KL and FUZE families.

### Key Features:

- 94 CRI / 95 TLCI
- 2400K to 8500K color temperature range
- Motorized 8°–60° zoom

FOR IMMEDIATE RELEASE

- 8-leaf barndoors
- Multiple DMX-controllable fan modes
- NFC setup, LCD interface, and Aria X2 wireless DMX
- IP65-rated for outdoor use

Designed for both on-camera and stage applications, indoors or out, the KL Fresnel 6 IP and 8 IP offer consistent performance while helping reduce maintenance and downtime.

Part of Elation's Coffee Break series, each episode goes beyond standard product overviews to highlight practical benefits and real-world techniques. Sessions are open to all and include live audience Q&A.

Mark your calendar and join us **May 11 at 11:00 a.m. CET** for this live session.

### **About Elation**

At Elation, we collaborate with leading professionals in the lighting industry to help bring extraordinary experiences to life. As a designer and manufacturer of a wide range of high-performance entertainment lighting products, we're proud to be a trusted partner to top lighting professionals and production/rental houses around the world. Our commitment to quality, innovation, and creative solutions has made us a go-to resource in the industry. We also offer an advanced line of lighting control products through Obsidian Control Systems, and a full range of dependable specialty effects called Magmatic. Elation serves clients worldwide through offices in Los Angeles, Mexico City, Canada, and the Netherlands. We invite you to take a closer look at [elationlighting.com](http://elationlighting.com)
