

20-Sept-2018

In Memoriam: Jo Mulders, ADJ Group of Companies

It is with deep sadness that the ADJ Group of Companies announces the sudden passing of our friend and colleague Jo Mulders on Monday, September 17, 2018. An esteemed and beloved colleague, Mulders, 61, worked as General Manager at the ADJ Group's European headquarters in Kerkrade, The Netherlands, and had been with the firm for over 15 years.

"On behalf of everyone at the ADJ Group, we are stunned and deeply saddened by the news of the passing of Jo Mulders and send our sincerest condolences to his family," said Toby Velazquez, President, ADJ Group of Companies. "Those of us that had the privilege and honor to know and work with Jo have lost an inspiring friend. Jo was a warm, infectious positive person who really cared for others and his absence will be felt with great sorrow. Jo was always sympathetic and team-oriented, valued for his know-how and drive, and was essential in helping to lift the company over the past 15 years. He will be sorely missed as both a friend and colleague."

Mulders, who grew up in The Netherlands, called the town of Landgraaf home. He is survived by his wife, two children and grandchildren. Funeral services will be held on Saturday, September 22nd, 2018, at noon at Heilige Jozef parish church in Kerkrade, The Netherlands.

About Elation Professional

Elation Professional is one of the world's leading lighting and visual solutions providers and is the global brand of Elation Lighting. Founded in 1992 and headquartered in Los Angeles, with European sales, distribution and support based in The Netherlands, Elation designs and manufactures a comprehensive range of innovative yet affordable lighting and video products that are distributed through a global network of dealers and distributors. Made up of a spirited team of dedicated personnel, Elation is setting new efficiency and performance standards in Platinum lamp and LED technology and is acknowledged for a comprehensive commitment to Total Support. As a company in expansion with a presence in a growing variety of market segments, chances are you've experienced Elation lighting at a concert, special event, TV, theater, late night venue, House of Worship, theme park, cruise ship, exhibition, architectural space or elsewhere.
