FOR IMMEDIATE RELEASE IMMEDIATE RELEASE

22-Aug-2016

Broad Line-up of Innovative Products from Elation Coming to PLASA 2016

Join Elation Professional September 18-20 at Olympia in the heart of West London for our most impressive line-up of PLASA products ever! Elation will have on hand at **Stand C40** an unprecedented line-up of new cutting-edge innovations for entertainment lighting that includes the new **Fuze Series™** of dynamic LED wash lights, **ZCL Series™** of high-output LED effects, and **DTW Series™** of variable white LED lights.

Also showing will be the new 7-color **Platinum SEVEN™** LED wash luminaire along with a cyclorama wash fixture, the **TVL CYC RGBW™**, an ideal floodlight for theatre and broadcast applications. The **Sniper Pro™**, an upgrade of Elation's award-winning Sniper 2R™ that features three times the power, will also feature as will the **Protron 3K Colors™**, a high-power 40,000 lumen LED color strobe. Also on hand will be the new **Rayzor 360Z™**, a brilliant compact beam moving effect.

Elation will also be showing the latest offering in its line of creative high-resolution LED display panels, the **EVHD Series™**. Available in three different pixel pitches (2.8, 3.9 & 5.9), the EVHD are curveable for more creative applications and feature a fanless design with complete front and rear service access.

Plus - don't miss your chance to see the popular X-Series of award-winning hybrid fixtures. The Elation team looks forward to a great show. Join us at Stand C40 for a closer look at these and other professional lighting, video and control solutions.

Fuze Series™: Introducing the new Fuze Series™ of LED wash fixtures with a perfectly homogenized color system and zoom optics.

ZCL Series™: Introducing the new ZCL Series of high-output LED effects with a new Zooming Collimator Lens system offering amazing effects and coverage.

DTW Series™: Introducing the new DTW Series™ of variable white LED lights with customized "Dim to Warm" and "Dynamic Tri White" control modes.

Platinum Seven™: The new Platinum Seven™ is a high-power 7-color wash luminaire housing 19x 25W multi-chip LEDs (Red, Green, Blue, White, Amber, Mint, and UV) for an unprecedented palette of color choice and features a fast 5° to 50° zoom.

TVL CYC RGBW™: The TVL CYC RGBW is a theatre-style cyclorama wall wash luminaire that delivers a smooth and even field of seamlessly blended colors. An ideal color-changing floodlight for theatre and broadcast applications, it features a 150W COB RGBW LED engine for an infinite choice of colors.
