satis&fy and Elation Professional to Present Newest Lighting Innovations

March 31st Innovation Day a can't miss opportunity to demo Platinum FLX™ and EMOTION™ while previewing upcoming Prolight & Sound launch products

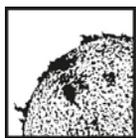

Full-service production company satis&fy and lighting manufacturer Elation Professional will be holding an Innovation Day on March 31st at the satis&fy facility in Karben, Germany, just outside of Frankfurt. This will be a great opportunity for lighting professionals to demo Elation's latest lighting innovations, including the award-winning Platinum FLX™ and EMOTION™ digital light, as well as preview upcoming Prolight & Sound launch products.

satis&fy recently added Elation's multi-functional Platinum FLX™ hybrid moving head and EMOTION™ new generation moving head digital light to its inventory and Innovation Day will give local rental companies, lighting designers and other interested lighting professionals the chance to demo these two exciting lighting innovations. Innovation Day attendees will also be the first anywhere to get a sneak peek at some of Elation's upcoming Prolight & Sound launch products.

Also on hand for demo March 31st will be fixtures in Elation's ACL Series™ of narrow-beam LED effect lights, the new mid-sized Platinum HFX™ hybrid moving head, SixBar™ LED battens, the TVL Series™ of white light LED luminaires and other Elation lights.

The Innovation Day event will begin at 16:00 with a presentation at 16:30 and second presentation at 18:30. All interested lighting professionals are welcome.

Please reserve your spot by sending an email to info@elationlighting.eu
