Join top television LDs on April 29th *Elation Hour*

Elation Professional continues its *Elation Hour* online presentation series **Wednesday, April 29**, where three of America's top lighting designers for television – Victor Fable, Joshua Hutchings and Ed Motts – join hosts John Dunn and Matthias Hinrichs for a **Tools & Techniques** discussion about the ins and outs of television and broadcast lighting. Hear about what makes television and broadcast lighting truly unique as some of the most experienced designers in the business share their own personal insight and tricks of the trade. The free webinar will take place on **April 29 at 10:00 a.m. Pacific Standard Time** in the U.S.

RSVP [here](#).

The *Elation Hour* is a weekly virtual presentation that delves into the more personal side of product development while also addressing the technology and process behind the Elation's most popular product series. The series also includes discussions with some of our industry's most noted designers who share their experience across the broad scope of entertainment lighting. Tune in over the next several weeks as top designers share their knowledge and experience in lighting Festivals/Outdoor Events, Broadway/Theatre, Trade Shows/Corporate/Special Events and Concerts/Live Events. The *Elation Hour* series will also include virtual product launches. See below for an upcoming schedule of dates and topics (subject to change).
